

Virtual Quarterly Education Series

The Traumatic Brain Injury Center of Excellence is hosting a caregiver education series to learn about TBI caregiver resources, mind-body wellness exercises, and current research in the field.

Event 1:

Providers and health care professionals will explore best practices and current research related to TBI caregivers. CEUs are pending.

Thursday, July 15, 2021
10 a.m.-12:30 p.m. ET

Event 2:

This interactive self-care workshop for TBI caregivers includes mind-body exercises and interactive clinical art therapy sessions.

Wednesday, July 21, 2021
11 a.m.-1:45 p.m. ET

Event 3:

This virtual resource fair for caregivers of military and veterans with TBI offers information on programs and services available to support your treatment plan.

Tuesday, July 27, 2021
5:30-8 p.m. ET
